

Year 1 maths checklist

Number- Number and Place value						
Secure	Aut 1	Aut 2	Spr 1	Spr 2	Sum 1	Sum 2
I can count forwards and backwards up to and over 100 starting at 0 or 1						
I can count, read and write numbers to 100 in numbers						
I can count in steps of 2's, 5's and 10's						
I can say 1 more than a given number						
I can say 1 less than a given number						
I can identify and show numbers using objects and pictorial representations						
I can use equal to, more than, less than, most, least to describe numbers						
I can read and write numbers to 20 in numerals and words						
Greater depth						
I can order numbers (first, second, third)						
I can use numbers to describe objects (3 apples, 2 bananas)						
I can begin to understand place value with larger numbers by reading, writing, counting and comparing numbers to 100 using objects and pictorial representations						
I can count in 2's, 5's and 10's to see patterns in numbers						
I can recognise and create repeating patterns with objects and shapes						
Number- addition and subtraction						
Secure						
I can read, write and understand mathematical calculations involving addition (+), subtraction (-) and equals (=)						
I can use number bonds to 20						
I can say related subtraction facts within 20						
I can add and subtract one digit and two digit numbers to 20						
I can solve one step problems with addition and subtraction using objects and pictorial representations						
I can solve missing number problems (e.g. $7 = ? - 9$)						
Greater depth						
I can use my number bonds to 10 to solve problems						
I can use my number bonds to 20 to solve problems						
I know that adding and subtracting 0 does not change a number						
I know that addition and subtraction link						
Number- multiplication and division						
Secure						
I can solve a one step problem using multiplication and division using concrete objects, pictorial representations and arrays						
Greater depth						
I can use grouping and sharing to understand multiplication and division by doubling numbers						
I can find simple fractions of objects						
Number- fractions						
Secure						
I can recognise a half as 1 of 2 equal parts						
I can find and name a half as 1 of 2 equal parts						
I can recognise a quarter as 1 of 4 equal parts						
I can find and name a quarter as 1 of 4 equal parts						
Greater depth						
I know what a half and a quarter are						
I know that halves and quarters are sorting objects into equal groups						
I know that halves and quarters are parts of a whole
