

SCHOOL ACTION PLAN 2023-24

Objectives:

1. Provide more opportunities for children and wider communities to engage in physical activity throughout the school year.
2. Increase the % of pupils that can swim 25 metres upon leaving year 6
3. Ensure PE Curriculum, Sport and Physical Activity photos and videos are updated on our displays, websites and social media platforms.
4. Increase the teacher CPD in REAL PE Scheme of Work

ACTIONS:	Success Criteria & IMPACT	Autumn 2021	Spring 2021	Summer 2021
1. Increase Physical Activity in school for some targeted pupils who we identify as “least active” to increase levels of fitness/wellbeing. 2. Offer a selection of physical activities for parents and children to perform together during Parent Open afternoons, themed parent events (Mothers and Fathers days) etc.. 3. Organise an Olympian to come and in help the school Fundraise towards an outdoor Gym, to help further enhance physical activity before, during and after school days.	Increase opportunities for pupils and the community including parents to access some physical activity throughout the academic school year. The activities provided will help with pupils accessing 30 minutes of physical activity outside the school day.	3.Set up and organise Olympian to come in and help raise funds towards the school Outdoor Gym vision. Ensure pupils are briefed and are aware of this event to help raise a buzz to earn as much money as possible.	1. Monitor from Autumn Term pupils that are “Least Active” set up a targeted group at lunch or after school to inspire these pupils further.	3. Offer a selection of physical activities for parents and pupils to perform together. During open afternoon and other parental events that will occur. Do the Parents and pupils enjoy the activities provided? Do the activities inspire parents and pupils do more outside of school hours?
1. Continue to monitor our swimming programme that is effective and ensures a progressive model to enhance progress.	Over a number of years there should be an increase in total % of pupils swimming 25 metres or more by the time they leave primary school. This will be an ongoing target for the next couple of years.	Look at the % of year 6 from previous year to set a target for the coming year.	Compare year on year of year 4 top up data.	Compare overall data including year 6 %. Adjust and change model as and when required to increase the % to ensure progress.

1. Collect photos and videos throughout the school year. 2. Ensure the wider community are exposed and have access to see what is happening in the PE and School Sport Curriculum in school.	To increase the awareness to our community of our PE, School Sport and Physical Activity offer throughout the school year.	Gather up to date photos of PE Curriculum, Sports photos and Physical Activity across the school. Update these to our website, social media and assemblies as frequently as possible.	Gather up to date photos of PE Curriculum, Sports photos and Physical Activity across the school. Update these to our website, social media and assemblies as frequently as possible.	Create and share an end of year video based on the curriculum year
1. Provide a CPD Opportunity to model and increase understanding of the Real PE Programme. 2. Increase the confidence of teaching Real PE Across the whole school (F2-Y6) 3. Increase pupil confidence and understanding of Physical Literacy.	Staff members will increase knowledge and teaching confidence when delivering REAL PE Curriculum lessons.	Staff CPD Workshop to be implemented with staff.	Plan, deliver and monitor REAL PE Lessons.	Provide staff & pupils with end of year questionnaire to gather feedback for further improvements.
