

Our Robin Hood Team!

Name: Suzette Leach

Role in School: Co-opted Governor / Chair of Governors

Biography (in 100 words or less):

I am married and have two children; one attends Robin Hood Primary school, the other recently moved onto secondary school.

I currently work for a military charity, as a project officer, developing a project to support people experiencing loneliness and social isolation.

Favourite Book and why:

My favourite author is James Patterson, I have read many of his books but particularly like the Alex Cross series.

My favourite children's book is 'Superworm' by Julia Donaldson.

How do you want to support Robin Hood to excel and exceed?

I know the difference that education can make in a child's life and want to ensure that Robin Hood provides the very best learning experiences to all children. Having been a Governor for over 5 years I understand the importance of being a critical friend, whilst effectively monitoring and evaluating the progress the school makes.
