

Aim For The Stars Day!

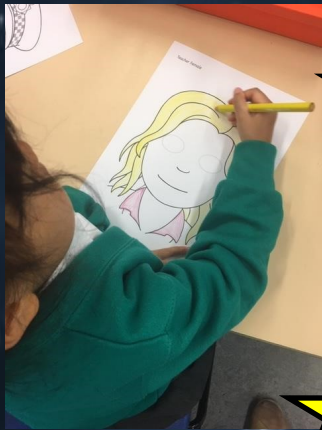

We hope your child has come home and told you about our themed day today! It has been a super day and we hope that children have enjoyed the variety of activities they have completed with their classes! All our activities have asked children to consider what they aspire to be in the future and to consider the “stars” which they may aim high for!

Exploring the
inflatiVERSE!

Competing in the special Olympics!

What do I want to be
when I grow up?

Dancing to “Reach for the Stars!”

Creating our own
Star in a Jar and
exploring our school
website!

It has been a great day and we are very grateful to staff and pupils from Redhill Academy, Oakwood Academy and Bilborough College for coming into school to support us! Thanks also to our excellent staff team for using their skills and talents to ensure our pupils have an inspiring and different day from the usual routines of school life! Finally—huge thanks to Mr Allen who has put the day together!
