Su2

1. Read accurately by blending the sounds in words that contain the common graphemes for all 40+ phonemes.

2. Read accurately some words of two or more syllables that contain the same GPCs.

3. Read many common exception words.

4. Read aloud many words quickly and accurately without overt sound talking and blending.

5. Sound talk many unfamiliar words accurately.

6. In a familiar book that is read to them, they can answer questions in discussion and make simple inferences.

Secure

7. Read accurately most words of two or more syllables.

8. Read most words containing common suffixes.

9. Read most common exception words.

In age appropriate books, the pupil can:

10. Read most words accurately without overt sound talking and blending and sufficiently fluently allow them to focus on their understanding rather than on decoding individual words.

11. Sound talk more unfamiliar words without undue hesitation.

In a book they can read fluently, the pupil can;

12. Check it makes sense to them, correcting any inaccurate reading.

13. Answer questions and make some inferences.

14. Explain what has happened so far in what they have read.

Greater Depth (as above as well as....)

15. Make inferences eg thoughts and feelings of characters

16. Make a plausible prediction about what might happen based on what has been read so far.

17. Make links between the book they are reading and other books they have read.

18. Read at least 90 WPM with accuracy and understanding
