Russia is the largest country in the world.

Australia is home to many animal species and it is home to more than 10% of the world's animals and plants.

London is the capital city of England.

Quotations associated with our topic

"The best traveller is one without a camera."

"The beauty of the world lies in the diversity of its people."

"Oh, the places you'll go." Dr Seuss

Language Dozen

Local area

A small area of a country or city. 'Bestwood' is our local area.

Nottingham

Nottingham is the name of our city. It is a city in England.

United Kingdom

The United Kingdom is made up of England, Wales, Scotland and Northern Ireland.

England

Is a country within the United Kingdom and Nottingham is a city in England.

Scotland

Scotland is the country north of England.

Wales

Wales is the country West of England.

Northern Ireland

Northern Ireland is across the sea from England and Wales.

City

A city is a place where there are lots of buildings and lots of people live close together.

Capital city

The country's leaders usually live and work in the capital city. It is usually the biggest city in the country. The capital city of England is London.

Physical features

Features of our world that have been created by nature.

Human features

Features of our world that have been made by humans.

Robin Hood

An 'outlaw' from Nottinghamshire who steals from the rich and gives to the poor.

"A community of learners aiming high to Excel and Exceed!"

Year 1 Spring Term

The Golden Rules

Do as you are asked the first time.

Take care of everyone and everything.

Show RESPECT at all times.

Good attendance is 95%+. "Five to nine is learning time!"

Where in the World are We?

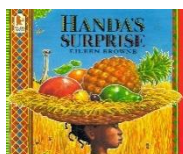

Project Outcome: We are going to be creating a leaflet about our local area which will be distributed to our local library for people in our community to look at!

Home Learning Suggestions

Go for a walk around your local area. What can you see?

Can you make a map of your local area?
Do any of your family members live in a different area of the United Kingdom or the world? Can you locate where they live on a map?

Suggested Reading

Also, please look at any atlases and maps!
