Dear Parents / Carers,

Attendance at school will continue to be a key priority in all schools and at Robin Hood into 24-25. We will continue to work hard to encourage and support children getting into school and will do as much as we can to promote the knowledge that good school attendance has on children's later success in life and wellbeing now!

Thanks to those parents using our Arbor app and keeping a track of their child's % attendance throughout each week and each term!

We are here to work with you to support you in improving your child's attendance if it is a concern.

We try and ensure that every school day is engaging and exciting so that children want to come to school. We also aim to personalise approached to support. We want all children to feel **safe, happy and comfortable** in school and make good progress in their learning. Regular attendance is critical for us to be successful in this aim.

Stats at end of Autumn 1	National:	TARGET at Robin Hood for end of the 24-25 year:
Our whole school attendance currently is 94%	National attendance average of 94.5%	95%+
Currently 17% pupils who are persistent absentees	National pupils who are persistent absentees = 16.7%	14%

*persistent absentee = below 90% school attendance (**x19 days absent from the school year**)
