Y4 Swimming!

Dear Parents / Carers,

A quick letter to remind you that Class Gisborne will start their swimming lessons starting **Wednesday 26th February**. Swimming will take place at Southglade on Wednesday afternoons. **The last session will be Wednesday 2nd April.**

There is a rigorous Risk Assessment which has been put together by the City Council with some instructions to pay attention to at Southglade Leisure Centre. Here is what you need to be aware of:

- Children will walk to Southglade. Please make sure they have a coat!
- Children need a suitable swim kit (staff at the leisure centre are very particular about this – Boys = tight fitting swim shorts, above the knee, no pockets / girls = a one piece swimsuit. Goggles may only be worn on medical advice. Long hair must be tied back. **NO EARRINGS** or jewellery **AT ALL** – not even stud earrings. Do not wear them to school on this day / wearing a swim hat is personal choice)
- Children will change down at the Leisure centre as usual. However, to save time the **children** could wear their costume underneath their uniform. They will use the individual changing rooms. A few girls can use the group changing room facilities. All children are asked to have a bag they can store their uniform in.
- Children will leave school at 1:15pm. Children swim at 1:45pm. They finish at 2:30pm and will walk back to school. They will be back at school for the home time at 3:25pm.

Please do ask if you have any questions,

Kind Regards,

Y4 Team
