Temporary Change within our Leadership Team

Dear Parents / Carers,

I am writing to let you know that for a temporary period you will see me less around our school site. Our school recently received a request for me to support another school in Nottingham as a Local Leader in Education. The governing body considered the request and have agreed that for an interim period I will do this support work.

Initially this support will be intensive and so you will not see me (or hear my loud voice and “Good mornings!”) on our school site as regularly!

Mr Overton will step up during this time and take on additional roles and responsibilities with a reduction in his teaching commitment. He will be on site daily and is supported by **Mr Allen** and **Mrs Byrne** on the Senior Leadership Team.

I continue to be very grateful to lead our school where the staff team are incredibly competent, dedicated and kind. My thanks to the staff who will all adjust - I know - to not having me in the building as often. Thank you to our parents too who I know will support Mr Overton and teachers maintain the high standards and expectations we have at Robin Hood to ensure all children aim high to excel and exceed!

I will look forward to being back in Robin Hood on a weekly basis and talking to pupils when I am in school about how they are getting on with their learning! I will talk to children in our assembly on Friday about these changes which will begin from January.

Kind Regards,

N C Bridges
