Attendance

Whole school attendance has dropped again this week, which is disappointing. Good attendance is vital to ensure that children can fully access learning, maintain friendships and develop consistent routines that support both their academic and emotional wellbeing.

I met with the Attendance Lead from the Local Authority last week, and we will be working together in the coming months to look at ways in which we can improve attendance across the school. We had a lengthy discussion around holidays in term time and, as stated in previous newsletters, these will not be authorised in line with both Local Authority and Government guidelines.

We look forward to seeing an improved attendance picture across school next week. If you have any attendance concerns, please do reach out – we are here to help.
