Welcome!

Welcome to the Robin Hood Primary Breakfast Club for children in Reception/ F2 through to Year 6. We provide a safe friendly environment for children to enjoy a good breakfast which is a great way for them to start their day and prepare them for learning.

Opening times

Breakfast Club held in the Upper Hall and is open daily from 7:30am, term time only. Pupils will then be taken to their classes for registration at the start of the day.

Fees

Fees are currently £3 which is great value. Please pay in advance on Arbor.

Why is breakfast important?

Giving children the best start in life can begin quite literally, even before the school day, with a healthy breakfast! It has been proven that eating a good healthy breakfast can help to improve a child's concentration, behaviour, attendance, punctuality and educational attainment. It also helps children to attain and maintain a healthy weight.

Food

There are a variety of breakfast items available throughout the week for the children to eat. This includes, toast and jam, cereals and fruit.

Please keep the school office updated with any dietary requirements your child has.

Activities

There will also be a variety of adult led and independent supervised activities available to entertain the children. These include board games, reading, colouring, outdoor activities (weather permitting) and areas for study.

Behaviour

The Breakfast Club will follow the school's behaviour policy. Parents must help to ensure their child follows the school Golden Rules. If these rules are persistently broken, or in the event of a serious incident, the child's place may be removed.

Staffing

Breakfast Club is run by our team of Teaching Assistants. There will be a minimum of two Teaching Assistants with the children each morning.

First Aid

If your child receives first aid treatment during breakfast club, the usual school procedures will be followed and a bump note placed in their bag. All breakfast club staff are first aid trained.
