

Friday 15th January 2021

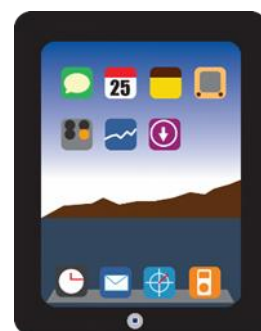

Thank you!

Dear Parents and Carers,

Thank you to all of our parents at home supporting children in their learning. We know this is a big ask as many of you are also under the pressure of working from home and may have children in different year groups in both primary and secondary schools who you are trying to support.

Staff have been very appreciative to those of you staying in touch, emailing work, accessing Zoom Calls and picking up the phone when your child's Teaching Assistant calls. Our weekly Achievement Assembly is now on our school website – do watch it with your child as it features learning from our whole school community. <https://robin-hood-primary-school.primarysite.media/media/assembly-15012021>

After a very intense couple of weeks, I hope next week brings some calm as we all get accustomed again to the change of not having school fully open. The learning I have seen going on in school and at home has been incredible and in our school every child in Y3 – 6 has a device (either iPad or laptop provided through school) to support them at home.

More devices will come out next week but I am well aware that it is **your** support at home as parents which really makes a difference so thank you again! If we have not heard from your child this week (they have not accessed zoom / answered a TAA call / engaged with learning) – we will be speaking individually with you early next week.

New **Home Learning Booklets** will be available to collect from the path up to school (opposite the cob shop on Beckhampton Road) on Tuesday 19th January. These supplement the teaching activities online and support the blended approach of our Remote Learning Plan.

From Wednesday 20th – there will be a trolley of stage books available by the Home Learning Booklet boxes outside for you to change stage books if your child is in

Reception, Year 1 or Year 2.

School is open though our phone lines are busy. We are in school from 8am – 3:30pm and if you need to get in touch please do call or email (admin@robinhood.nottingham.sch.uk or if it is urgent headteacher@robinhood.nottingham.sch.uk) and we will get back to you ASAP.

FSM (Free School Meal Vouchers)

Parents of children in receipt of **FSM will receive digital vouchers for the period of lockdown** as they have done previously. These codes will come through on a separate email by the end of today. Please do get in touch as you are ever struggling for food / need support. We are here to help!

As ever - do get in touch if you have any questions,

Best Wishes,
N C Bridges (Headteacher)
