Friday 12th June 2020

Dear Parents and Carers,

I hope you are all well and keeping going! All of us are in different situations – at home with the children / working from home / juggling work with your child in skeleton school and each of these situations poses their own challenges. Whatever position you are in – I hope you are keeping your sanity!

As you are aware, **school will be opening to Y6 children from Monday 15th June.** We have 40 / 60 Y6 pupils signed up for their “bubble” groups and are very much looking forward to seeing them! Year 1 and Reception cohorts have been contacted with details of what a return to school will look like for them and we will keep you informed of further contact from Nottingham City Local Authority with a definite date when we can welcome these children back into school.

Skeleton school (supporting keyworker and vulnerable children) will continue as usual during the rest of this term.

We do have a planned **INSET** on **Monday 29th June.** We have not shut at all since Monday 23rd March however **on this day school will be CLOSED to ALL pupils.** This day is needed for staff to prepare transition materials which will be sent to you WB 6th July.

The last day of our school term is Wednesday 22nd July. For any children in year group “bubbles” – this will be your last day. For children in skeleton school, Friday 24th July will be the last day.

I am looking into our school hosting a Summer Holiday Club which would run from Monday 27th July – Friday 28th August. This would be run by a separate company but on our school site with all additional preventative measures in place to keep children accessing the club safe at this time as well as the usual expectations of First Aid / Safeguarding. The club could only run if there was enough interest and this offer would be funded by parents. There is no communication at this time from the LA about supporting parents over the summer but I am wanting to at least provide you with some options for this upcoming time when school will be shut. Do contact me if you have questions or feedback on this,

See also attached our key dates for 2020-21.

Kind Regards,

Nicky Bridges
