Dear Parents and Carers,

We are sure, after the Prime Ministers statement on Sunday evening, you have lots of questions. We too have lots of questions that need clarification and thought.

At the moment, for us in school there is no change to the guidance. We will continue to provide care for those parents whose work is critical to the COVID 19 response and for vulnerable pupils. The message remains that it is still safer to stay at home.

We have now received information from the DfE to support us with this new plan to start the phased re-opening of some year groups. We are consulting with the Local Authority, the Nottingham Schools Trust, Governors and local Head teachers to try and make sense of this and together achieve a consistent approach.

Please be assured – we will not re-open until we are fully prepared. While all of us will have many questions, nothing will change immediately; we now have some time now to think and plan carefully next steps. Do remember too I myself have a daughter in Y1 and another who is 3 years old. I do understand your anxieties from a parent perspective and will have this at the forefront of my mind when we are planning together as a staff.

As always, we will keep you informed but for now please try not to worry. Our plan for now is to continue to provide activities for learning at home, keep contact with you, our families, and continue to support each other in these very difficult and uncertain times

Best Wishes,

Mrs Bridges.
