Dear Parents and Carers,

An update for those of you expecting digital food vouchers. I have been frustrated by this system and whilst I know the LA / DfE are working hard to resolve the issue, this is taking longer than we would like.

I do not want parents to go without some sort of support re purchasing food over Easter. The only vouchers we can get currently are the £20 Asda vouchers. This is disappointing as I understand Asda is not the supermarket closest to most of you. I also understand you may not be able to get there – and most likely do not want to have children in tow when you go.

However, this is the only option available for this week despite us trying to source Co-op / Tesco vouchers / other options. I am working with Mrs Hissitt to get the digital voucher system running ASAP.

FOOD VOUCHERS:

A £20 ASDA food voucher has gone out in the post TODAY (1st Class) to the parents of those children in receipt of FSM. Expect it by Wednesday this week at the latest.

I will keep you updated on what to expect next with the food voucher system.

If you do feel at any point you are really struggling with feeding your child and need support – get in touch headteacher@robinhood.nottingham.sch.uk

Kind Regards,

Nicky Bridges
