

Online Safety Week 2020

Online Safety week is the last week half term (w/c 10th February). There will be a launch assembly on Thursday 6th for KS2 and one for KS1 on Monday 10th. All classes should attend and must complete a session in class producing a class poster to answer their question:

Foundation	ELG: What technology is around me?
Year 1	Who do I tell if something upsets me online?
Year 2	What makes a good password?
Year 3	What is acceptable online?
Year 4	Can I trust everything I see online?
Year 5	What are the dangers of the online world?
Year 6	How might my digital footprint affect my future?
