Main events of WW2

The main events of WW2 are the blitz , rationing ,Great Depression , the Nazi invasion of Poland, operation Barbarossa Pearl harbour, D day, the holocaust

Rationing

Rationing was for saving food and making it last as possible (so they don't starve to death).

They had food such as pies, vegetables, Chunks of meat, potatoes and bread. It was hard to ration food, grow crops.

To know the impact of the blitz

Two ways people stay safe were Anderson Shelters and Morrison Shelters. 5 city's that got targeted were London, Manchester, Coventry, Glasgow, and Southampton. They were targeted, so they could not get resources. The impact on housing, bombing during the war destroyed or severely damaged millions Of homes.

Impact on children's life

The impact on children's life was important because they had to do task and work. Some of the children were evacuees and had to evacuate to safer countries so they don't get bombed while most men were at war.

To know the impact of propaganda

Propaganda during WW2 was not just side affects it was military, Navy, and airforce they mobiles populations and kill humans
