

Remote Learning Plan: Sept 2020

Our aim is for children to be in school but it is possible school will partially close to some year groups throughout the Autumn term and possibly the academic year. We have planned how we will provide continuous education for your child in this event. Many thanks to those parents who responded to our questionnaire on Survey Monkey in July. This has supported our thinking when developing our Remote Learning Strategy.

Self Isolation for Individuals & Siblings

Government guidance states that if anyone become unwell with coronavirus symptoms, they must be sent home to self-isolate for 10 days. They should arrange a test and inform school of the results of this test. Other **members of the household**, including siblings, must self-isolate for 14 days from the day the first person showed symptoms. If your child receives a negative test result, they can return to school and all members of the household can stop self-isolating.

If your child or a household member tests positive for coronavirus and you need to self-isolate, we will deliver a physical learning booklet home (including some M, R, W linked to the current curriculum objectives and ask you to follow activities which require the least resources possible) to you the following working day. This will reflect the learning going on in the classroom.

Your child's teacher will contact you / your child on a weekly basis with a phone call if you are self-isolating.

In the event of a Year Group Closure

Certain situations may result in a larger number of pupils to self-isolate at home, e.g. a whole year group. We will always be guided by our local health protection team and the local authority in these circumstances.

In whatever case we would ask parents stay in touch with school. The communication plan attached to the bottom of this document outlines what methods of communication are available to parents. If a partial school closure happens again, we will need the support of parents to successfully support the needs of every child in school. If we do not hear from parents / families, we will come out and visit you.

The below details what provision phases across the primary school will deploy if the school is shut to some / all pupils at any point again during the coronavirus pandemic.

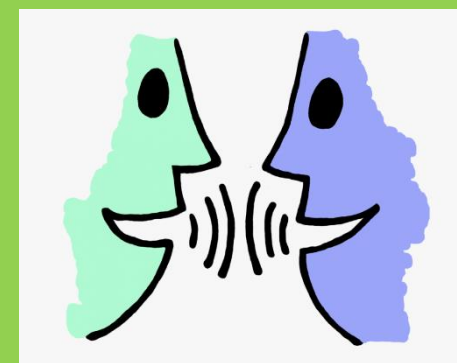

EFYS - NURSERY	EFYS RECEPTION	KS1	KS2
<u>Communication:</u> Your child's keyworker will call weekly. They will check on your child's wellbeing with you and offer support.	<u>Communication:</u> The class Teaching Assistant will call weekly. They will check on your child's wellbeing and hear them read.	<u>Communication:</u> The class Teaching Assistant will call weekly. They will check on your child's wellbeing and hear them read.	<u>Communication:</u> The class Teaching Assistant will call weekly. They will check on your child's wellbeing and discuss the text they are reading with them.
<u>Nursery Website</u> Keyworker Zoom call (15 mins) on a Thurs. This is optional. An email will be sent with a zoom link and password.	Class Zoom call (20 – 30 mins) on a Tues <i>or</i> Thurs. This will be a chance for the class to interact with half the class and their teacher. A register will be taken. An email will be sent with a zoom link and password.	Class Zoom call (20 – 30 mins) on a T / Th to discuss questions relating to learning tasks which have been set and provide chance for pupils to see each other and their teacher. A register will be taken but it will NOT be a direct teaching session. An email will be sent with a zoom link and password.	Class Zoom call (20 – 30 mins) on a T / Th to discuss questions relating to learning tasks which have been set and provide chance for pupils to see each other and their teacher. A register will be taken and there may be some direct teaching as part of the call. An email will be sent with a zoom link and password.

You can always contact school if you have any questions.

If you would like any advice from your child's class teacher – you are welcome to email them directly in the event of a partial school closure.

We are very lucky to have a large team of staff who focus on providing Nurture and support to children with additional needs. If your child works with this team, they will make contact with you.

If you feel you need help at any point in supporting your child's specific learning needs (e.g. SEND) or you are concerned about their emotional wellbeing, please get in touch and we will put additional strategies in place to help.

Well-being and Communication!

EYFS (NURSERY & RECEPTION)	KS1	KS2
<u>Keeping up with the Curriculum:</u> Year group Sharepoint folder uploaded with weekly timetable including learning objectives and activities. Accessed from the school website. Home Learning Resources Videoed learning input (10 – 15 mins) to access on a Mon, Wed, Fri which will provide direct teaching content by the class teacher. Video Resources	<u>Keeping up with the Curriculum: Y1, Y2</u> Year group Sharepoint folder uploaded with weekly timetable including learning objectives and activities. Accessed from the school website. Home Learning Resources Videoed learning input (15 – 20 mins) to access on a Mon, Wed, Fri which will provide direct teaching content by the class teacher. Video Resources	<u>Keeping up with the Curriculum: Y3*</u> Year group Sharepoint folder uploaded with weekly timetable including learning objectives and activities. Accessed from the school website. Home Learning Resources Videoed learning input (20 mins) to access on a Mon, Wed, Fri which will provide direct teaching content by the class teacher. Video Resources <u>Keeping up with the Curriculum: Y4, 5, 6</u> Year group Sharepoint folder uploaded with weekly timetable including learning objectives and activities. Accessed from the school website. Home Learning Resources Y4 – 6 will take home their 1:2:1 ipads. Showbie app used for workflow <i>and</i> feedback.
<u>Where will my child record their work?</u> Every child will receive an A4 Remote Learning Book. In the event their year group is sent home, this is where they can complete their learning. Activities accessed online do NOT need to be printed out. Staff will aim to set tasks which children are able to complete in their book. (Fortnightly paper Home Learning Booklets will only be produced in the event of a whole school closure) <u>How can my child receive feedback?</u> Remote Learning Books will be expected back into school to receive feedback from the teacher. If you want to screen capture and email any completed learning to the teacher, please do so. Please do not expect a response immediately from your child's teacher.	Maths, English and Curriculum Learning!	

Wifi Access and Digital home devices:

Every household will be different in terms of what access they have to the internet and what devices they have to access remote learning.

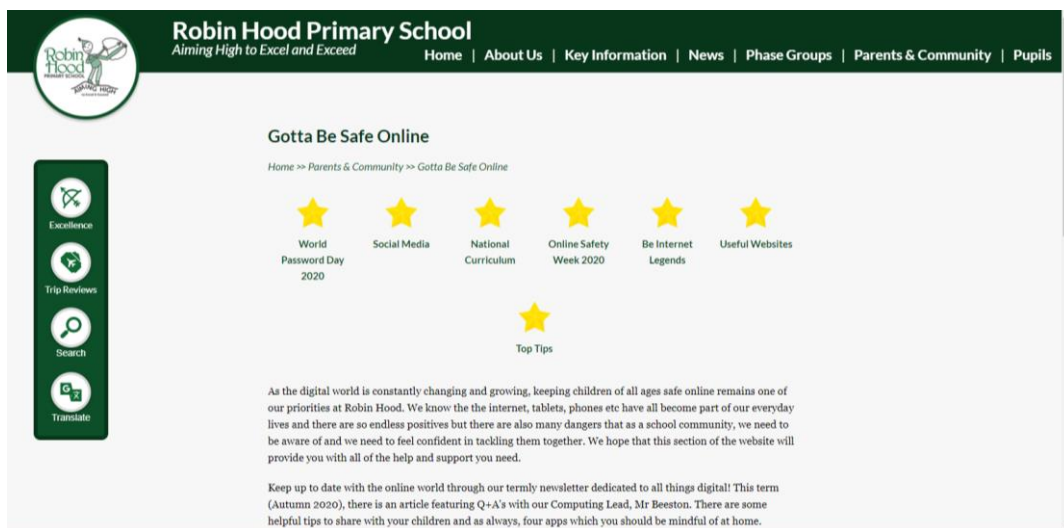

In September 2020 we have asked you to complete a questionnaire so we are aware of any families who have NO access to devices which will connect to the internet. We will support you in every way we can and if necessary make specific adaptations to this remote learning strategy for certain individuals.

We are also aware that some families may have 3 or 4 children trying to use only one device in the household. If this is the case, you will see from the timings below that we have spread our Zoom calls throughout the day and we suggest sharing your devices around these timings. This will give every child chance to access learning content from the video resource centre. Our Zoom calls are also spread out throughout the day so that you are able to manage the use of few devices between siblings more successfully.

Tues / Thurs Zoom Call EYFS		Tues / Thurs Zoom Call KS1		Tues / Thurs Zoom Call KS2	
F1 = 11am		Y1 = 10:00am		Y3 = 9:00am	
F2 = 10:30am		Y2 = 9:30am		Y4 = 11:30am	
				Y5 = 2:00pm	
				Y6 = 2:30pm	

Our website is an excellent place to start if you have ANY queries. There are lots of links and information on there to support parents and pupils.

ONLINE SAFETY – See our links from school website and half termly Online Safety Newsletter

The screenshot shows the Robin Hood Primary School website. The header includes the school logo and navigation links: Home, About Us, Key Information, News, Phase Groups, Parents & Community, and Pupils. The main content area is titled 'Gotta Be Safe Online' and features a row of six yellow stars, each with a link: World Password Day 2020, Social Media, National Curriculum, Online Safety Week 2020, Be Internet Legends, and Useful Websites. Below this, there is a 'Top Tips' section with a single yellow star. A sidebar on the left contains icons for Excellence, Trip Reviews, Search, and Translate. At the bottom, there is a paragraph about digital safety and a link to the online newsletter.

If – during a partial year group or school closure - we have significant staff illness, you will be emailed directly with a list of national online learning resources, e.g. DfE Letters & Sounds materials / Oak National Academy to support your child in their learning.

Robin Hood Communication Plan

Communication	Used for	What do I need to do?
Text messages	Urgent messages Reminders from the office	Please ensure your phone number is always kept up to date with the office
Marvellous Me 	Positive messages/praise Information about learning Reminders from the classroom staff	Please ensure you have registered your account using the code provided by the office (you should only need to do this once)
Parent Pay 	Used for consent/payments Used to send out newsletters and letters	You will need to register using the information given to you by the office. You should only need to set this up once. Please ensure you provide an email address for the account that you check at least daily.
Email	Used to communicate in an emergency/for school or year group shut down	Individual staff will not be responding to individual emails as they were during lock down (unless a year group lockdown were to occur). Please contact via admin@robinhood.nottingham.sch.uk if you need to get in touch via email.
School website	This will be regularly updated so please ensure that you check Year group pages often.	No sign in required.
Twitter 	We share some key messages and information about school activities via our Twitter page @robhoodschool Please do check regularly for interesting updates and information	A personal Twitter account is required for this – please then follow our page.

We recognise that pupil physical and mental health is paramount. If you or your child (or a member of the household) is unwell – we of course accept that your first priority will be to care for them. However, this remote Learning Plan is to sustain learning and our children's future ability to learn and we would encourage you to support us in its success as and when it becomes necessary. Thank you.
