

## PUPIL RESPONSES to wellbeing week questionnaire (May 2023)

At school, we want you to feel safe, happy and comfortable! We want to support you feeling happy and healthy and will be talking about this in our Wellbeing Week. Answer these questions with your parent and tell us what you think about how we help you stay happy at Robin Hood.

(Children answered this questionnaire collaboratively as classes and individually with their parents)

45 responses

[More Details](#)

|             |    |
|-------------|----|
| ● Yes       | 34 |
| ● Sometimes | 11 |
| ● No        | 0  |

## **12. What would you want to change about breaktimes and lunchtimes?**

More time! (LOTS answered this!)

Nothing!

longer and more footballs and basketballs

A challenge

Longer and having toys outside and being aloud to bring out a book or a toy possibly your ipad

Longer and teacher ACTUALLY do thing when people fall out is there in year 3 4 5 or even year 6

The first break time is kinda short

Make them longer make challenges and more competition in things

I wish there was no no football Friday

More places to go if you fall out with your friends at break and lunch

## **13. Could anything be done to improve your wellbeing at school?**

Make More well-being lessons

When I'm angry I could do some gardening

More activities with a friend

Yes letting kids bring teddy's to school and toys and like for 30 mins before home we can play with then or play or if we need a break from work let us and I need help to be able to ask things without being scared to be shouted at or to tell people of

No

Be Kind

More History

No I've got a good mental health at school

Get more help

Nothing

Just be left alone some days

More outside activities

Doors open for school at 9am A zipline on the ks2 playground A really big slide Some fitness workout stations
