

Robin Hood Primary School

June 2021

Dear Parent,

May I take this opportunity to welcome you to Robin Hood Primary School. At Robin Hood our vision is:

To be a community of learners - children, staff & parents - aiming high to excel & exceed!

It is an anxious time for parents as your child starts at a new school and I know you will have questions and concerns which I hope will be addressed in this meeting and in the first couple of weeks your child has at school.

We are an inclusive school and we promote great learning attitudes and behaviours through our Learning Charter to enable pupils to become happy, lifelong learners who acquire the skills and knowledge to become confident adults and responsible citizens.

Our School has 5 Core Values:

- **EXPECT EXCELLENCE**
- **SHOW RESPECT**
- **COLLABORATE WELL**
- **EMBRACE CHALLENGE WITH RESILIENCE**
- **MOTIVATE & INSPIRE**

We are a school who wants primarily for your child to be safe and happy at school whilst making great progress in their learning. We believe that learning is a two-way partnership, involving school and home. Where there is a strong relationship between school and home children make much more progress and we passionately believe that Parents are a child's key educator. We hope that this partnership will begin today and get stronger over your child's journey through our school.

If you do have any questions, please feel free to give the office a call and speak to **myself or one** of the following key people who will be able to help you:

Henry Overton or Aimie Habgood (Deputy Head Teacher)
Mat Allen & Ruth Selvey (Assistant Head Teachers)
Helen Kearns (School Business Manager)

Please do browse our school website (www.robinhoodprimary.co.uk) to find out even more about us.

Best wishes

Nicky Bridges (Head Teacher)
