Welcome back, I hope everyone had a wonderful half term and enjoyed the sunshine. It is lovely to have the children back in school and to see so many smiling faces.

It has been a busy week with lots of learning, and a special mention to our Year 4 pupils who have completed their MTC checks this week. Next week, our Year 1 children will be completing their phonics screening checks with Mr Beeston – we wish them all the very best and know they will try their hardest.

Fantastic work has been seen in classrooms this week, and a very special trip for Foundation Stage to the seaside to round things off! A big thank you to our parents who supported the trip – the children's smiling faces as they left school this morning were wonderful to see – I am sure there will be some sleepy heads last night– I have already reserved my seat on the bus for next year!

As we continue into the remaining parts of the year there are lots of events coming up in school, non uniform days, sports week to name just a few. As the weather hopefully continues to improve, please ensure that your child comes to school with sun cream applied and also with a water bottle to help keep them hydrated.

We have been really lucky to receive a small donation of school shoes from a charity and with September in mind these will be popped outside of school next week for you to come and have a look and help yourselves if you could use them. They are new shoes!

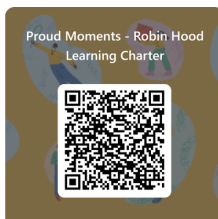

We are beginning to think about transition in school as we have a whole school transition day on the 1st July. Your child will get to spend the day with their new class teacher and do lots of things to get them ready for the year ahead. I will send out a separate letter regarding transition before it takes place.

If you have any questions please do ask and we will support in every way we can.

Thank you, as always, for your continued support – I am excited for the term ahead and the wonderful learning taking place across school.

SEND Survey

Thank you to the parents who have taken the time to complete the SEND survey that I have sent out. If you are awaiting any information around SEND from school please ensure that you complete the survey. This will enable us to prioritise lists moving forwards. Thanks.
